Manufacturer Provided Description

One of the original owners of SEA PRO Jimmy Hancock, along with former Tidewater Boats founder Preston Wrenn are excited to bring about the resurrection of a legend in the mid-tier center console salt water fishing boat market. "The Next Wave" is an incarnation of the brand that officially launched in the spring of 2015 with the release of their flagship model, the 208 Bay Series. The line is built with South Carolina pride in a 200,000 sq ft facility in Whitmire, SC.
