Manufacturer Provided Description

Marking the return to this entry level length, the new Portofino 40 is the result of a long hard study of a highly competitive market sector, and the end product is an absolute class leading all-rounder. In plan she's a two cabin, four+one berth, family or friends boat with central saloon, galley and twin access head and shower room. Beyond the exquisite owner stateroom forward, the real surprise is the headroom and huge hullside windows in the amidships cabin with its twin beds and third, child's berth. But at heart, like every Sunseeker, the Portofino 40 is a true sports cruiser, with a top speed of up to 34 knots.
