Other Details

Manufacturer Provided Description

At Scout, they take detail and quality to a higher standard, and nothing displays this attitude better than the LXF series. These luxury fishing boats are made for people who demand more from life and expect the finest materials, engineering, and features that the boat industry can offer.

You'll have a hard time finding another boat of this size with the same level of design sophistication and luxury features. The 275 LXF has everything you would expect from a fishing boat, including live wells and rod holders, but it also makes boating more convenient with optional features like a grill and wet bar.
