50 Meter Synergy

50m SAILING SUPER YACHT

Designed by Tim Saunders with the impressive super sailing performance as her central focus. A beautifully designed

sailing yacht boasting both impeccable styling, comfort and unequaled elegance.

The exterior is elegantly contemporary, yet rugged and aggressive. A stunning glass-paneling feature, which runs

from the private aft-deck through the centerline of the yacht to the helm station, allowing sunlight to filter into the

interior, illuminating the onboard living spaces.

Indoors, She has been finished to the highest possible quality.

She boasts one-of-a-kind artwork and offers a feast for the eyes. Able to accommodate up to 12 guests in five beautifully styled staterooms, She offers luxury and comfort on board. Private master stateroom with four additional

staterooms, two twins and two doubles also accommodating guests in sophisticated style.

Treat yourself to the sailing soul of 50M. She is in her final stages of construction and months from completion.

Save

yourself years of struggling and sail away this year!!!
