ASKING PRICE: **\$119,000 USD**

Exterior Design

Sleek, Sporty, and Seaworthy

The Jeanneau NC 795 embodies European design with a versatile, modern profile. Her deep blue hull and sculpted lines turn heads at every marina, while the protected wheelhouse and open aft cockpit strike the perfect balance between comfort and adventure. The extended swim platforms and stainless-steel rails add both safety and style for family cruising or weekend escapes.

Cockpit Comfort

Open, Social, and Relaxed

Step into a spacious cockpit that transforms from lounging to dining in seconds. The aft bench slides forward for extra engine clearance, while the folding table invites sunset dinners on the water. Soft, marine-grade cushions and a retractable bimini provide shade or sunshine on demand—ideal for sandbar days or canal cruising.

Helm & Navigation

Command with Confidence

The helm station features a **Garmin multifunction display**, **Fusion Bluetooth stereo**, **VHF radio**, and **Lenco electric trim tabs**, giving you precise control and easy handling. A large windshield and side windows flood the cabin with light and offer excellent visibility, making navigation smooth and enjoyable whether you're exploring inland waterways or coastal routes.

Cabin & Interior

Comfort Below Deck

Inside, the NC 795 offers a bright, cozy cabin with a convertible V-berth, galley, and enclosed head compartment. Premium upholstery, wood accents, and practical storage create an inviting retreat after a day on the water. The enclosed marine head with sink and faucet ensures privacy and convenience for overnight stays.

Performance

Reliable Power and Efficiency

Powered by a **Mercury 225 hp FourStroke outboard**, this Jeanneau delivers smooth, efficient performance with quiet operation and low maintenance. The hull design planes quickly and handles beautifully, offering confidence in both calm and choppy conditions. Trim tabs and hydraulic steering further enhance ride comfort and control.

Walkaround Access

Easy Bow Entry

Her asymmetrical design provides a **wide starboard-side walkway**, allowing safe and effortless access to the bow. Stainless-steel handrails and a flush deck design

make it easy to move forward for anchoring or sunbathing, without sacrificing interior space.

Systems & Features

Smart, Practical, Ready

- Shore power inlet & battery switches
- Electric & manual bilge pumps
- Freshwater system with cockpit shower
- Refrigerator, stove, and galley sink
- Fusion audio system with cockpit speakers

Lifestyle Ready

Whether you're cruising to waterfront restaurants, anchoring off the islands, or just enjoying a "Therapy Session" on the water, this NC 795 delivers the perfect blend of leisure, comfort, and versatility—all in an easy-to-handle package
