Accommodations

LUCKY STARS accommodates up to eight in the owner's party in four staterooms plus three crew stateroom aft. Below deck amidship is the master stateroom and two guest staterooms. The VIP guest stateroom is forward through the galley below deck. Each stateroom features complete entertainment centers, thermostat controls and private bathrooms.

The crew quarters are located aft with access via the swim platform with three cabins and two heads with showers. The on-deck galley features new upgraded stainless steel appliances along with center island, ample storage and dining for eight.

Continuing aft is the oversized pilothouse featuring teak and holly sole along with an L-shaped helm seat. It includes state-of-the-art electronics package and all new neutral upholstery in 2021. Aft, the on-deck head features custom marble flooring and vanity top, nickel fixtures, crown molding and mirrored overhead.

The main salon is divided into a formal dining area with custom buffets and columns port and starboard.

LUCKY STARS
Page 3 of 12

Through the centerline door is the teak aft deck which features a built-in bar, teak dining table and chairs. Access to the crew quarter's and engine room is through the stern. The spacious flybridge is equipped with sunlounges, bench seating with dining, gas grill and Bimini top. The boat deck features 18' Nautica tender, two 2019 Yamaha waverunners and (12) person life raft.

LUCKY STARS is the most comprehensive 20' beam series Broward's ever produced. The amount of designer/owner extras and improvements sets this apart from the others in her class, to include additional sound insulation throughout the vessel. You must compare her mechanical equipment; preferred 3412 Cats with top end overhauled, Northern Lights 55KW generators that have been rebuilt. Unique and exquisite decor upgrades and new paint in 2011, extensive electronics and audio/visual updated in 2021, and an oversized flybridge with new upholstered bench seating and sunpads in 2021.

Main Salon & Dining Area

From the aft deck, you enter the bird's eye maple paneled main salon with an angled 12' upholstered sofa with an oval custom cocktail table, two very comfortable cushioned chairs, one with a cushioned ottoman.

The TV entertainment system is housed in a large bird's eye maple custom built-in cabinet to the port aft with 3-level bookshelves on each side and an icemaker and refrigerator.

In front of the entertainment center is a low 9' angled bar with three hand-painted and upholstered chairs. Four bird's eye maple columns off of the port and starboard 10' buffets with double bullnosed granite and bird's eye maple panels on the fronts of the cabinetry separate the dining area from the salon. The lacquer inlaid dining table is surrounded by eight Century wood framed arm chairs that sets below a magnificent hand painted round custom ceiling soffit with a 30" round hanging glass sea horse light fixture.

Moving forward to starboard is a marble/black granite foyer with powder room featuring custom hand molded and painted wall designs, head, overhead mirror, maple cabinet with sink and fixtures, granite flooring and countertop.
