## VISION F - 82ALU

### CHARISMATIC AND STYLISH

One of the most noticeable aspects of the VF 82 Alu Yachting are the external design lines that give the boat a captivating attitude. The VF 82 features a striking design that makes use of the nobility of black. The boat nearly resembles a swan, with all kinds of features that will make its owner feel rich. The VF82 Alu offers exceptionally vast living areas and the ability to approach anyplace with ease because to its length of 23.9 meters, width of 9.9 meters, and 0.80 meter draft.

With the VisionF brand, a cutting-edge engineering approach, and the production of luxury yachts that are ahead of their time for each individual customer in the Power Catamaran segment, Via Group makes Turkey the first in every field in which it invests and continues to be the innovator in the maritime industry. With one of its newest models, the VF 82, VisionF provides its clients with a yachting experience that is ecologically responsible. The VF 82 stands out from all catamarans with its power, capturing the interest of sea enthusiasts with its distinctive design and features that don't sacrifice luxury. It also offers a safe maritime environment with its comfort, big living areas, and sturdy aluminum hull.

### LIKE A 7 STARS HOTEL

With a 54-square-meter hall, the VF 82 Alu has the finest aesthetic appeal. With its contemporary design that represents you, it offers you the chance to experience one-of-a-kind moments. It features a couch set that is comfortable for 10, a modern dining table for ten people, strong sound systems, and alcantara wall coverings. VF82 Alu provides a nice vacation with its spacious places and the opportunity to take in the sea view owing to its huge Windows.

The large cockpit that welcomes you where you take your first step into the VF82 Alu is one of the most special areas of the boat. The dining table for 8 people in this section provides comfort beyond the ordinary with its resting area and wide door opening to the living room. When you enter the saloon, you will better understand how special a boat it is. The Alcantara wall coverings play an important role in the elegance of the boat, with a dining table for 10–12 people located on the left side of the 54-square-meter area, leather-covered chairs, and L-shaped seating groups positioned on the right side of the saloon. Offering the chance to enjoy the sea to the fullest thanks to its wide windows, Vf82 Alu promises a peaceful holiday with its spacious spaces.

The 82 Alu yacht boasts an impressive 54 square-metre main saloon and luxury accommodation for up to eight guests across four staterooms. Her starboard side hull houses a large master stateroom, a twin-single guest stateroom and a crew cabin, while the portside hull includes the galley, and two luxurious ensuite guest staterooms forward, with a crew cabin in the bow.

The flybridge of the 82 Alu yacht can be reached from the aft deck and has an exterior helm station. The space is perfect for relaxing or entertaining, with comfy sunpads, upholstered weather resistant seating and panoramic views. Wide, teak-clad steps lead to her swim platform, which can be hydraulically lowered for easy access to the water and raised for storing her Williams jet tender.

In terms of performance, the 82 Alu catamaran is equipped with twin IPS engines, which provide her with a top speed of 16 knots and a range of over 1,800 nautical miles.
