Detailed description

Mazu Yachts is proud to introduce the 112, mid size in the DS range. After the 92 DS series, which started production last year, the first design process of the 112DS model was completed. In the continuation of the series, the 132DS model will appear.

The 112DS model features elegant and modern design by RedYacht. The main saloon offers spacious saloon. Accommodation onboard is for 10 guests in 5 cabins, including 4 guest cabins and 1 master cabin. The exterior is perfectly designed for relaxation, including multiple lounging and tanning areas and wonderful beach club.

Powered by 4x Volvo Penta IPS 1350 (4x 1000HP) engines, the yacht cruises comfortably at 16knots, reaching a maximum speed of 21 knots. Comfort onboard is guaranteed by the zerospeed stabilizing system.
