## **HHI**

HHI is a SOLAS compliant luxury live aboard diving safari boat built in 2015. It is perfectly designed to meet divers needs and requirements during a live aboard diving safari trips to ensure an outstanding and unique experience. HHI is a 30,1 meter boat with four decks and 10 double cabins. HHI is equipped with 2 water desalination machines with producing capacity 6 Tons. Also, it has Fresh Water Tanks with capacity 8 Tons. HHI has Water Heater Tank with capacity 180 Liter. HHI has a Central Air Condition System for all the boat.

The second deck outside area includes 21 slots for diver scuba gear. The slots are significantly larger, so divers can install, check, fix, and use their scuba diving gear. This area is well designed to ensure that divers can move around safely, comfortably and freely.

Where divers can enjoy the sea breeze and fresh air. These areas are designed to perfectly accommodate all HH divers during summer at one time. The third deck has comfortable couches and bright coloured bean bags while the sun deck (Fourth deck) has huge comfortable couches, cushions and pillows so divers can enjoy a significant tanning experience.

As for the cabins, it is divided into 8 standard and 2 master cabins. 6 cabins allocate in the first deck while the other 4 allocated in the third deck. All cabins are tailored and designed to guarantee divers privacy, comfortable and relaxing accommodation. The interior design of the cabins has been carefully selected with full attention to details in terms of space and practical usages. All cabins are air conditioned with a separate controlling button to switch off/on the cabin air condition and to control cool air flow.
