Manufacturer Provided Description

With the launch of the incredible 38SC, the next-generation of Fountain High Performance V-Bottoms is speeding on the scene. High performance boat buyers can now enjoy the roominess of a center console, the dependability of outboards and the top-end performance that has made Fountain the fastest name in boating for more than 40 years. Don't look now but with it's 100 mph top-end potential, the 38SC certainly must be considered the fastest stock center console under 40-feet on the water today. Bold graphics inside and out scream "speed." Premium Cool Touch upholstery with color coordinated thread showcase Fountain's incredible attention to detail.

Standard Equipment
