## **Island Heiress (Overview)**

Central to the current owner's requirements was to have a yacht that was spacious, relaxing, and family orientated, whilst also capable of hosting big parties and packing in a vast array of toys and equipment to keep even the most adventurous fully occupied onboard. Testament to having achieved this is ISLAND HEIRESS's popularity in the charter market, with several weeks already booked this year. A potential owner will discover a fabulous turnkey charter yacht that comes with a full inventory of toys, including a submarine and 4 wave-runners.

Originally built in 1996 by the Cheoy Lee Shipyard, ISLAND HEIRESS is a 44.2m tri-deck motor yacht that underwent an extensive rebuild completed in 2016 and included new engines. An amendment to her hull design means she now has a draft of 2.44 metres, making her ideal for Caribbean cruising, and a larger crane on the extended aft bridge-deck makes moving tenders and toys a real breeze. With a top speed of 18 knots and a range of 4,000nm at 10 knots, ISLAND HEIRESS is easily capable of extensive cruising.

She is fully-equipped with diving gear and designed for long range worldwide chartering, making her the perfect choice for families and lovers of underwater adventure. Clean lines and elegant light wood grace her interior, giving guests a warm and inviting space for relaxing in ultimate comfort. Island Heiress can sleep up to 12 guests in 6 spacious staterooms, all with en suite bathrooms. State-of-art entertainment system is connected throughout the yacht, including on deck. She also has a great selection of water toys appealing to all age groups, including a water slide that runs from the sundeck to the water line. Her very experienced crew ensure that guests will want for nothing while on board, all that is required is a willingness to be pampered.
