## Manufacturer Provided Description

A picture's worth a thousand words...but this one will leave you speechless. Eighteen months of research and design are behind creating and perfecting our flagship center console – the 345XSF. This forward seating Sportfish, in a category all by itself, boasts our Scout Stepped Hull Technology as well as numerous amenities normally found only on luxury sportfishers. Step aboard and see for yourself what makes this boat a Scout. And yes...it's as fast as it looks, too.
