**Exceptional Sanlorenzo SL 78 from 2021**

This Sanlorenzo SL78 launched in 2021 is completely customized by the owner with all options possible. She is only one owner with private use.

Only 300 engine hours, the SL78 is one with the lowest engine hours available currently on the market.

With its almost 25 meters, this SL78 offers great versatility thanks to its large outdoor spaces and 4 guest cabins: a Master, a VIP, 2 twin cabins (both convertible in doubles). The salon, with its large and bright windows, features a large sofa and an internal dining glass table. The flybridge has an outdoor table and two large sunbating areas.

At the stern, there is a third dining/relax area and in the bow a large sunbathing area that can be converted into a sitting area with a coffee table. Outstanding interior finishes and prestigious furnishings offer guests a particularly comfortable and refined environment.

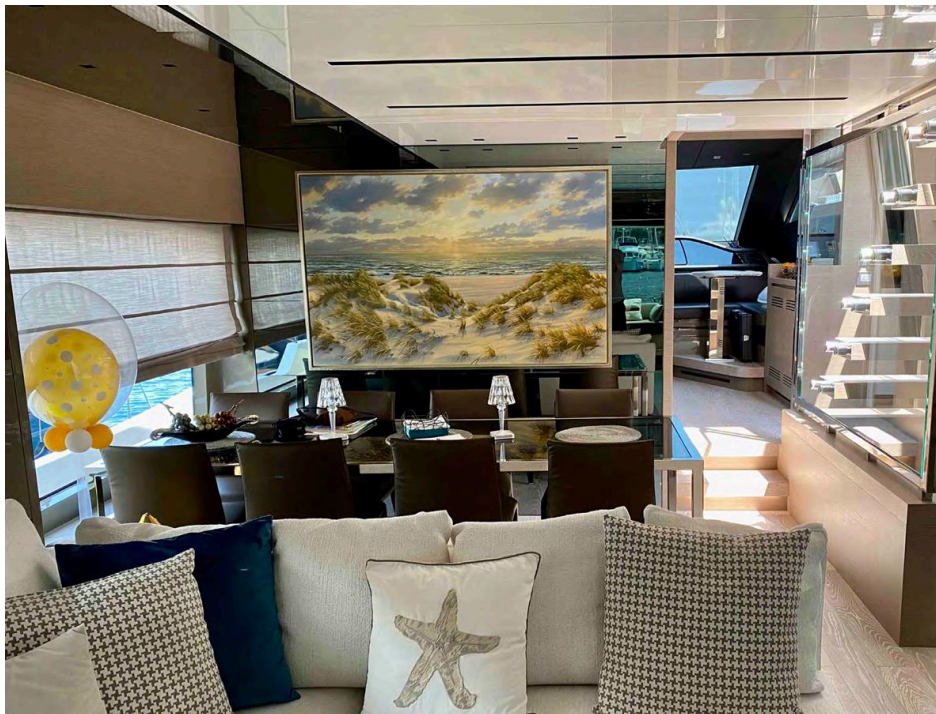

An innovative soundproofing and anti-vibration system offers maximum comfort in all indoor and outdoor areas.

There is space for Three crew members with a separate Captain Cabin.
