Sleeping berths · 6

Engine · 2 x diesel 150hp, Cummins 4BT 3.9 (1996)

Lying · Everett - At Our Docks - Shown by Appointment

This Bayliner 3388 offers exceptional value for a boat of this size and quality. She's well-maintained, in good condition and ready for you to enjoy your PNW activities in style, safety and comfort.

The 3388 model was one of Bayliner's most affordable cruising motor yachts during her production years (1996-2001). This boat in particular has stood the test of time and her pride of ownership shows. Her hull sparkles with a recent wash and wax, the interior upholstery and carpeting are in good condition, and the flybridge upholstery appears almost new.

The 3388 features a large self-bailing cockpit, complete with a swim platform, fiberglass transom door and molded sink/bait station, which allows plenty of room for fishing or dockside socializing.

There is a large V-berth and ample storage forward with a midship compartment under the raised settee which offers a king double berth, large hanging locker and vanity with sink.

The enclosed head features a vanity, separate shower and marine toilet. The down galley is fully equipped and easy access to the bright and airy salon. The comfortable settee, which converts to a single berth and a removable table provide ample space to work, enjoy morning coffee or games with family and friends.

Additional features include a MasterVolt 2000 watt inverter, Bluetooth Stereo, and Magma Grill.

The Owners live out of state and are looking for a boat closer to home. They are motivated and will consider all reasonable offers!

She can accommodate quite a few with all of the comforts of home and an added bonus of adventure! Let's get out on the water!
