## **Manufacturer Provided Description**

The Power 67 elevates luxury to its ultimate expression and makes sailing at sea a truly refined experience. It is in line with the flagship catamaran, the Alegria 67, and the Motor Yachts designed by Fountaine Pajot, praised by the International Press for their elegance and their performance at sea.

The Power 67 is just as well designed for long-distance getaways, beautiful cruises or simply for the pleasure of welcoming guests. With its powerful engine delivering up to 2 x 435 hp, the Power 67 has a range of 1700 nautical miles, thanks to its hull design and the 4000 litres of fuel on board.

The Power 67 will meet your most exacting desires: with its elegant and innovative design, it offers you a state-of-the-art living environment. With its rounded, asymmetrical lines, this luxury power catamaran catches the eye and conveys a sense of intrepid power. Its volumes impress by the ingenuity of their layout as well as by their impressive scale.

Enjoy the cosy atmosphere of its 36m<sup>2</sup> cockpit adjoining the lounge

and its various sunbathing areas, its kitchen equipped with a griddle and its huge reception area. Dream of the unattainable on the 32 m<sup>2</sup> of its Flybridge or let yourself be won over by the ultimate relaxation in the optional jacuzzi in the front lounge.

We have tailored the Power 67 to meet the full range of your needs: long cruises, joyful day trips or dinner parties at anchor, the motor catamaran Power 67 by Fountaine Pajot will provide the highlights of a whole lifetime. Available in two versions: with the kitchen in the passageway or built into the saloon, the Power 67 remains stunning thanks to its modern and exclusive 5-star lounge. Experience the emotions of an unlimited view from this refined interior.

Let yourself be won over by the pleasures of privacy in its Owner's version, with a private apartment of 22 m<sup>2</sup>, equipped with a large dressing room and an Italian-style bathroom with two finely designed washbasins to give all the distinction you can imagine to your outings at sea.
