Description

The Launch 35 GT boasts cutting-edge features while maintaining the classic design and styling that makes it uniquely Chris-Craft. Starting with our exclusive and innovative hull design – the reverse transom and signature flared bow provide a legendary ride.

The windshield is solid stainless steel and beautifully contoured. Trim tabs and an Axis Joystick come standard on the Launch 35 GT. The starboard side boarding door offers easy entry straight from the dock, or use the ladder to reboard from the water. Once aboard, enjoy the entertainment center with a standard galley sink with hot and cold water, a large refrigerator and a teak cockpit table.

Seated comfortably at the helm puts the dual 12" Garmin multi-function display panel at your fingertips. The helm features a solid Brazilian mahogany dash and steering wheel that are uniquely Chris-Craft. Below the starboard console is a spacious cabin, turning the Launch 35 GT into a comfortable overnighter. The port side head compartment is spacious and well-appointed.

Conveniently located off the swim platform, the transom is equipped with a hot and cold water pull-out shower head. The convertible sunpad can adjust to a full-length aft facing lounge, or a combined aft and forward facing seat. The Launch 35 GT runabout is perfect for any trip at sea, whether you are enjoying it with family, friends, or on a romantic weekend get-away.
