Ribco Venom 44

Ribco Venom 44 the flagship of the Greek shipyard, representing over 20 years of expertise in building high performance RIBs. This Venom 44 is a perfect blend of design and engineering, featuring a stepped hull and powered by twin Mercury V12 600HP engines **with only 175 running hours**. She is always ready to serve her guests, capable of reaching an impressive 70 knots while ensuring comfort and safety at all times. Versatile in her role, she can operate as a reliable superyacht chase tender, offering a guaranteed smooth and dry ride, or as the ideal family RIB, carrying friends and loved ones to crystal clear waters at high average speeds, even in heavy weather. Combining performance, safety, and enjoyment, she delivers the ultimate experience on board!

Standout Features

- Safety, Speed & Comfort
- Very low engine hours
- Impressive max speed of 70 knots
