Burger 144 Tri-Deck Motor Yacht

The Burger 144 Tri-Deck Motor Yacht is a one-of-a-kind yacht at the pinnacle of luxury. Add your own custom preferences, imagination and style to create a Burger of your very own. Are you ready for the adventure? The Burger 144 provides her passengers stunning and unmatched elegance. This is a modern yacht designed for journeys that whisk you away in your own private escape. Work with Burger to customize her for your unique mission and requirements — a collaboration that combines your mission with our heritage.

Imagine what you can build — dreams, getaways, the freedom of being at sea with no land in sight, an heirloom and a lifetime of memories crafted as a member of the Burger family.

The Burger 144's large main salon and dining area transforms into a lavish indoor/outdoor area. The luxurious full beam main deck owner's stateroom includes a large office area, his and hers en suite baths and generous closets. The main entry foyer features double curved open staircases, one leading to the lower guest accommodations and the other to the upper deck. The guest accommodations consist of four fully appointed staterooms with en suite baths.

The upper deck includes a sky lounge opening to a private deck aft. The efficient galley provides ample room for conversing and relaxation. The Burger 144's spacious crew area has direct access to the guest areas. The tender garage conceals her 20' (6 m) tender and water toys.

The Burger 144 has an authoritative exterior that gives way to a warm, luxurious interior and tri-deck experience. She's yours to complete with Burger's design team. This luxury motor yacht will be crafted to your specifications by Burger's experienced and meticulous team. Start here and finish with the adventure of a lifetime.
