2022 Sanlorenzo SL96A

2022 Sanlorenzo SL96A | Türkiye | Flag Malta

Asking Price **€7,900,000**

LOA: **29.06 m** | Beam: **6.76 m** | Draft: **1.92 m**

Engines: **2 x 2216 hp MTU 16V2000M86** | Engine Hours: **555 h**

Fuel: **10,350 L** | Water: **1,500 L**

Accommodation: **4 cabins** (8 guests) + **2 crew**

Generators: **2 x 55 kW** | Hours: **900 / 900 h**

Key Features

- **High-Performance Platform** – MTU package supports an approx. 28-knot top speed and a 24-knot cruising profile.
- **Stabilizers Zero Speed** – Fin stabilizers reduce roll both underway and at anchor for improved guest comfort.
- **Large-Volume Range** – Approx. 1,250 nm range at economical speed for extended cruising flexibility.
- **Premium Shore Power Handling** – Cablemaster plus inverter and UPS setup improves reliability for hotel loads.
- **CCTV & Safety Systems** – Camera coverage plus advanced fire detection and monitoring improve onboard security.
- **Full Climate Capability** – High-capacity air-conditioning system supports comfortable operation in hot climates.
- **Watermaker Installed** – Idromar watermaker supports autonomy away from dock services.
- **Flybridge Cooking Suite** – Fly cooking top and teppan-yaki create a functional outdoor galley for entertaining.
- **Tender & Toys Included** – Williams Sportjet 435 and a personal watercraft support shore runs and day-water activity.

A well-optioned SL96A with strong machinery, stabilizers, autonomy systems, and a detailed upgrade list, positioned for private cruising with reliable onboard capability.
