THE PEDDLER

The Dreamline 26m has 10% - 30% more useable interior space than all it's competitors in the respective size range with an interior volume of 145 GT. The Dreamline 26m has two master staterooms, a forward main deck master with 180 degree view and a full beam 2nd master on the lower deck. There are two additional twin berth guest staterooms. All guest staterooms are ensuite. Two crew staterooms sleep up to four and accessed by a staircase from the galley.

The sundeck has a bar, dining table, jacuzzi, and a hardtop that electronically opens. The aft deck has a dining table, sunpad and is air conditioned. The garage holds a Williams Jet Tender. There is a hydraulic swim platform as well as a hydraulic swim ladder.

The hull design is called Lama Wave-less by Arrabito Naval Marine that lowers resistance for better full economy running at displacement or planning speeds.

The interior of THE PEDDLER is pure elegance with beautiful marbles, exotic woods and luxurios fabrics and leathers. IF YOU ARE CONSIDERING ANOTHER EUROPEAN BUILDER OF MOTOR YACHTS FROM 24 TO 28 METERS, YOU OWE IT TO YOURSELF TO CONSIDER THE PEDDLER AS YOUR NEXT YACHT.
