		Classifications:	Bureau Veritas
		MCA:	ISM:

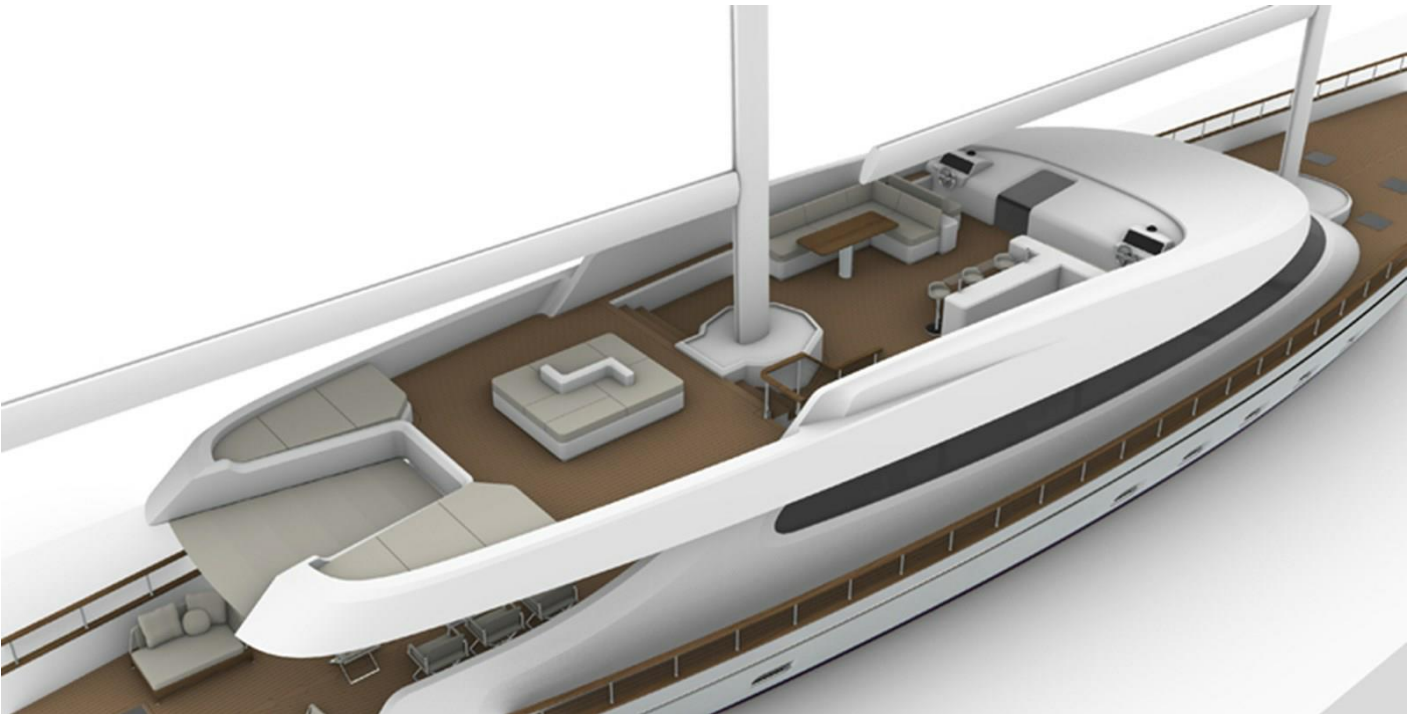

Remarks

Refit project by Nauta Design on an existing vessel designed by Gilles Vaton. The Goelette 152 was built by ATB shipyard Moroc in 2006 and left ashore due to the closure of the shipyard in 2009, 9 year after the Vessel has been towed in Italy and new GA and Exterior design have been made in order to make the GOELETTE perfect both for charter market and private use!
